

As Jesus was setting out on a journey, a man ran up to Him and knelt before Him, and asked Him...

**Good Teacher**  
what shall I do  
to inherit  
eternal  
life?

Many of the pro-life organizations are concerned about the upcoming election. One party stands for families and life and believes that the 14th Amendment to the Constitution of the United States confirms that "no person can be denied the right of life or liberty without due process." States can pass laws to protect such rights by the vote of the people. This party will not support late term abortions and will support mothers. The other party does not believe the baby in the womb of their mother deserves any rights especially the right to life. They also support children changing their gender without parental notification. Sex education, they believe, should be taught in kindergarten and illegal aliens should be allowed to vote.

—Priests for Life Newsletter by Frank Pavone, September, 2024

"It is never true to say that we have not time to meditate; the less one thinks of God, the less time there will always be for God. The time we have for anything depends on how much we value it."
