The International Journal of Cardiology, Cardiovascular Risk and Prevention disclosed a new study suggesting that pregnancy loss including by abortion has a link to an increased risk of cardiovascular diseases (CVD). This suggestion of a link to CVD is also supported by the American Heart Association as well as, the American College of Obstetricians and Gynecologists. Ironically, abortion advocates tell women that the death of their babies will benefit them mentally, financially, and physically.

**ANNUAL  
DIOCESAN  
APPEAL**

CATHOLIC  
*stewardship*  
IN ACTION

Today, the 2024 Annual Diocesan Appeal begins in our parishes and throughout the Diocese of Peoria. Through the ADA we are able to advance the mission entrusted to us by the Lord. In our parishes, our schools, our Newman Centers on college campuses, in our social services ministries in Catholic Charities we create places of encounter with Jesus. And we know that when we encounter Jesus, lives are changed. If you have not made your pledge by mail, please fill out the pledge card in your pew. The goal for Woodhull is \$16,520, for Galva, \$21,842 and for Cambridge, \$14,948. We can only reach our goal with your help.

*Contributions can be made by check payable to the Diocese of Peoria, by a credit or debit card, by direct debit from checking or savings account, or online at [www.cdop.org/ada](http://www.cdop.org/ada). Gifts of appreciated stock, grain, or qualified charitable distributions (QCDs) or donor advised funds have special considerations and requirements. Contact 309-674-1550 for more information.*

EWTN's Foundress, the late Mother Angelica, once called St Michael the Archangel her "dearest Friend", knowing without a doubt that this powerful intercessor guided and protected her.

She mentioned in an episode of her EWTN Live program that, "I firmly believe the answer to abortion is the *Prayer of St Michael.*" Mother believed that if every pro-life person united in praying it, abortion would end. In 1994, Pope St John Paul II also encouraged its use for this purpose.
