Since Planned Parenthood’s abortion clinic was inadvertently destroyed in Gaza, they are appealing for donations to set up another abortion clinic so mothers will not be forced to give birth to children in the womb. The Humanitarian Aid being sent to Gaza by the US must be written into legislation by members of Congress to be used for life-saving services only. Otherwise, Planned Parenthood will add the funds to their accounts already swollen with funds from the US government. —*Life Advocacy Oct 23, 2023*

Judgment Day

Today we come to the end of the liturgical year, celebrating the magnificent feast of the Solemnity of Our Lord Jesus Christ, King of the Universe. Our readings provide contrasting images of this King of ours — He has authority over all, and yet, He is humble and tender in His care for us, especially the most vulnerable.

How can we properly honor and love such a King? By offering Him our very lives through the stewardship way of life.

The Gospel passage from Matthew shows us how. The passage begins with Christ’s own description of His Second Coming, “When the Son of Man comes in his glory and all the angels with him, he will sit upon his glorious throne, and all the nations will be assembled before him.” Then the moment of judgment will come. Some will be invited into the Kingdom of Heaven — the others to eternal punishment.

This judgment will be based not on how influential we became in society, how high we climbed the corporate ladder, or any “worldly” achievements. Rather our judgment will be based on how we treated the least of those around us, whom Jesus calls His brothers. “Amen, I say to you, whatever you did for one of the least brothers of mine, you did for me.” To make His point very clear, Jesus gives specifics — feeding the hungry, giving drink to the thirsty, showing hospitality to the stranger, and caring for the ill and imprisoned.

The more deeply we embrace the stewardship way of life, the more closely our priorities will align with His.
