Dr Alice Bunker Stockham (1833-1912) stated "By what false reasoning does a woman convince herself that another life , still more dependent upon her for existence, with equal rights and possibilities, has no claim on her for protection?" She was one of the earliest OB-GYNs. In order to protect each human life, born and unborn, each pregnant mother needs to be on the side of her child's life and the father needs to cherish the mother and the child. —*Erika Bachiochi, fellow at Ethics and Public Policy Center, a wife & mother of seven, Columbia Magazine - Jan & Feb 2025*
